Grow your business

Gain brand awareness, target your demographic, and reach your mass audience in one shot.

- **Effective.** School sponsorships are a highly cost-effective way to market and raise brand awareness.

- **Positive brand image.** Attitudes are more positive towards advertisers who take an interest in their community.

- **Straight-forward.** You don’t have to launch anything new—bring everything great about your company to the forefront.

- **Targeted.** Distribute your message district-wide or as localized as a small group of neighborhood schools.

- **Support public education.** Your advertising money will:
  - Support our district’s athletic programs/upgrades.
  - Fund our efforts to recruit excellent teachers and market our schools.
  - Aid in our district’s communications initiatives.

MESSAGE FROM THE SUPERINTENDENT

HCPS Family,

It is a new year filled with new hope, new opportunities, and renewed excitement! I always look forward to a new year because of the energy it brings and the feeling that anything is possible. That is true for us, and for our students!

We have a lot to accomplish in 2024, and a lot of hard work that needs to be done.

However, I know that if we work as a team, we will move mountains and create countless opportunities for our students to succeed.

Continue doing what you are so excellent at doing – Teaching, loving, supporting, and preparing students for life.

Here’s to 2024… Working together… making Hillsborough even stronger!

Athletics

From scoreboards to A-frame signage, a high school stadium is a unique space to align your brand with the community while displaying your message.
Parents show brand loyalty

School districts can reach up to 8x as many families as the largest traditional media source.

- **75% of parents** want brands to support schools and **64%** will switch to brands that do.
- **96% of people** are more likely to purchase a product after participating in a live, branded event.
- **90% of school visitors** come because of athletics - place your message where it will be seen.

2025 State of the Schools Address

Event location and time to be determined

At the 2025 State of the Schools Address, Hillsborough County Public Schools Superintendent Van Ayres and district leaders will share an update with our community about the current state of our schools, district goals, future plans, and challenges. Breakfast will be served for attendees, with the meeting lasting approximately one hour. Your sponsorship investment will help offset the event costs including food, student transportation, and event supplies.

Hillsborough County Public Schools is the seventh largest school district in the nation, serving more than 220,000 students and their families daily. To serve our students and their families, HCPS has employed the largest workforce in the county with more than 25,000 full-time staff members.
