

## Welcome to a tour of 6th Grade Ancient World History

*We are so excited to have you join us for a brief look into the Ancient wonders of the world. In this fifty minute class, you will learn by presentation, lecture, videos, guest speakers, computer—based research, and participate in various individual and group projects.*

*You will begin your journey with pre-history facts, map reading skills, and the study of early hunters and gatherers. As we move along, you will explore Mesopotamia, study the characteristics of a civilization and be transported to a time of pyramids as you learn about the social class systems of Ancient Egypt. The captivating wonders and societies of Greece, and Rome are also on your sixth-grade journey!*

*Your tour guides (teachers) will challenge you daily with higher order questions to help you become independent thinkers, great writers, and form a better analysis of your unit of study.*

*We are currently using the TCI History Alive book and its components to support the curriculum. It is available in hard copy and online.*

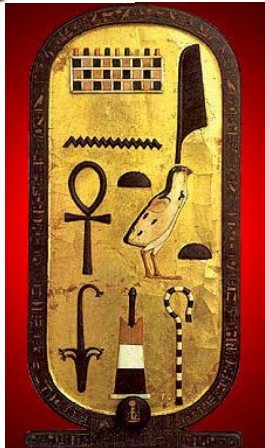

Travel around the world within the walls of your classroom!

# Welcome to...

# Ancient World History!

Liberty Middle School

# In the Ancient World History Classroom...

---

- ◇ Support the reading and language arts curriculum in the areas of pre-writing, drafting, peer-editing and final drafts.
- ◇ Practice and implement text-dependent and content specific questioning.
- ◇ Use Costa's higher order level of questioning .
- ◇ Give 'pre' and 'post' tests to measure learning gains and guide instruction for future lessons.
- ◇ Structure and participate in debates.
- ◇ Support our AVID program with the use of Cornell notes.

Students design their stage for Ancient Egypt performance.

Student work is always displayed in each teacher's classroom.

Government officials come to life in a dramatization of daily life in Ancient Egypt.

We hope that you've enjoyed this tour of the 6th grade Ancient World History classroom. We look forward to having you on our official journey next school year!
