

TAMPA HEIGHTS MAGNET ELEMENTARY NEWSLETTER

A MESSAGE FROM OUR PRINCIPAL, MS. METZLER

Thank you to everyone who collected donations for the color run! We raised between \$12,000 and \$13,000. The students had a great time!

We are approaching our final push to EOY testing. Please do all you can to ensure that your child is at school every day!

Reminder: If your child has more than 5 absences, we will not excuse an absence without a doctor's note.

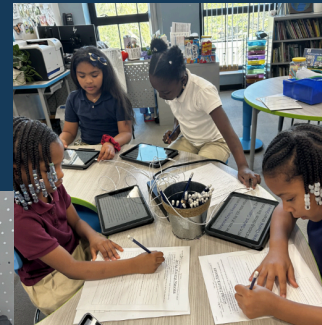

Student Spotlight

This month, our elementary school students are showing the power of teamwork as they collaborate on exciting Black History Month projects! From creating colorful posters about influential Black leaders to working together on class presentations and art displays, students are combining their creativity and knowledge to celebrate history in a meaningful way. By sharing ideas, helping one another, and learning together, they are demonstrating the true meaning of synergy—when we work as a team, we can achieve amazing things! We are so proud of their hard work and the inspiring projects they are creating to honor Black history.

Teacher Spotlight

Our Media Specialist Mrs. German is dedicated to empowering our students through books and by providing leadership opportunities for our Navigators. She has a "Think Win-Win" mindset and wants everyone to be successful.

LOOK AT THE AMAZING WORK THAT OUR NAVIGATORS DID FOR BLACK HISTORY MONTH!

Try some of our Habit 7:
Sharpen the Saw
Activities

Habit 7: Sharpen the Saw empowers us with the principles of renewal, continuous improvement, and balance. Habit 7, Sharpen the Saw, teaches students the importance of balance in their lives. It encourages them to take care of themselves in four key areas: body (exercise, healthy eating, rest), mind (learning new things, reading, problem-solving), heart (building relationships, showing kindness), and spirit (doing things they love, enjoying nature, practicing gratitude). By developing healthy habits, students can feel happier, stronger, and more ready to succeed in school and life!

T.H.E.M. HOUSE COMMUNITY

OUR CALL TO Action...

March is all about teaching our leaders to Sharpen the Saw. We will discover new ways to take care of ourselves. Allow your leader to inspire the family by incorporating ways to Sharpen the family's saw through spending time increasing the body's overall health.

Student Lighthouse

Our Student Lighthouse Team engages in leadership skill building activities monthly. These trainings help to equip leaders with the strategic ability to identify areas of action in both our school and neighboring community.
