Minimum Credits	24 credits are required (18 cr. option available)
Assessment	Passing Score on Grade 10 Reading, Alg 1 or Geo EOC (concordant scores can be earned on SAT, ACT exams)

Schedule Change Policy and Procedures

- Valid reasons for a schedule change may include scheduling error due to test scores, failing a required course, passing a course in summer school or night school, lacking a graduation requirement and/or lacking the proper prerequisite.
- Elective changes most often cannot be honored due to teacher unit allocation and class size reduction amendment.
- Schedule change requests will NOT be considered for the purpose of teacher preference.
- A change request may require the entire schedule to be altered to meet the request you have made. Including different teachers and different class periods.
- Once a schedule has been changed, it cannot be changed back again to the original schedule.
- Due to the requirements of the Class Size Reduction Amendment, requests for schedule changes may be denied as classes reach maximum legal capacity.

To earn an AICE diploma, students must pass 7 credits worth of AS or A level examinations, including AS level Global Perspectives. At least one examination must come from 3 of the subject groups: Mathematics & Sciences (Group 1), Languages (Group 2), and Arts & Humanities (Group 3), Interdisciplinary Subjects (Group 4) is optional. Must pass all AICE Assessments to earn the AICE Diploma to qualify for Bright Futures through AICE.
