

Cambridge International

AICE Education

What is it?	Advanced International Certificate of Education
What does it do?	Creates lifelong learning skills: research, analysis, evaluation, reflection, collaboration and communication
Why these skills?	They have been proven to assist students in post high school college, career and military pathways. In addition, students who take these courses tend to perform better on the ACT and SAT Tests
What does that mean?	These classes teach students to be Thinkers, Problem - Solvers and Doers
Who can take it?	AICE is available to many students and has a higher pass rate than most AP classes
What else?	Students who pass the exam can qualify for college credits and it looks great on a resume!
What is available?	Juniors and Seniors will take General Paper, but we are also offering Marine Science, Psychology and Drama
What about next year?	We have an expansion plan over 4 years to include offering an AICE Diploma Track option which will include at least 7 AICE classes.
What future classes?	Global Perspectives, Environmental Management, Thinking Skills, English Language, US History, Media Studies, Travel and Tourism and Economics.
