SAT vs ACT: Which Test is Right for You?

The SAT and ACT generally cover the same topics. Both ACT and SAT scores are used for college admissions decisions and awarding merit-based scholarships. Most colleges do not prefer one test over the other. Neither the SAT nor ACT is harder than the other. Different students tend to do better on one test over the other.

Compare the ACT and SAT tests!

- ACT includes a Science section.
- SAT includes one SAT Math Section on which you may not use a calculator.

Should I Take the ACT or SAT?

Students are increasingly taking both the SAT and ACT. The best way to decide if taking the SAT, ACT, or both tests is right for you is to take a timed full-length practice test of each type. Since the content and style of the SAT and ACT are very similar, factors like how you handle time pressure and what types of questions you find most challenging can help you determine which test is a better fit.
