Dear Parents/Guardians,

All teachers in Florida are supervised to ensure that they meet certification and training requirements, as required by law. According to Florida Statute 1012.42, when a teacher is assigned a recent position outside of their area in which they have been certified, parents of all students in that class will be notified to be certified in that area.

Hillsborough County Public Schools is committed to providing quality instruction for all students, and does so by employing the most qualified individuals to teach and support every student in the classroom. The district is assisting meter teachers with the development of an Individual Professional Development Plan to complete the requirements necessary for them to be certified in that area.

All of our teachers are certified to teach, although some of them are currently teaching outside of their area of certification, and are earning certifications in other areas. You have the right to know the professional credentials of the teachers or teaching assistants who are teaching your child(ren) and at the same time, you obligate us to provide it to you in an appropriate time, if you request it. For more information, please contact the school at 813-975-7665

The graph below shows teachers who are currently teaching outside of their certification area.

Sincerely,

Nishira Mitchell

Estimados padres/tutores,

Todos los maestros en Florida son supervisados para garantizar que cumplan con los requisitos de certificación y capacitación, como lo exige la ley. De acuerdo con el Estatuto de Florida 1012.42, cuando a un maestro se le asigna un puesto reciente fuera de su área en la que ha sido certificado, se notificará a los padres de todos los estudiantes de esa clase para que estén certificados en esa área.

Las Escuelas Públicas del Condado de Hillsborough se comprometen a proporcionar instrucción de calidad para todos los estudiantes, y lo hacen empleando a las personas más calificadas para enseñar y apoyar a cada estudiante en el aula. El distrito está ayudando a los maestros de medidores con el desarrollo de un Plan de Desarrollo Profesional Individual para completar los requisitos necesarios para que se certifiquen en esa área.

Todos nuestros maestros están certificados para enseñar, aunque algunos de ellos actualmente están enseñando fuera de su área de certificación, y están obteniendo certificaciones en otras áreas. Tiene derecho a conocer las credenciales profesionales de los maestros o asistentes de enseñanza que están enseñando a su(s) hijo(s) y, al mismo tiempo, nos obliga a proporcionárselas en el momento adecuado, si lo solicita. Para obtener más información, comuníquese con la escuela al 813-975-7665

El siguiente gráfico muestra a los maestros que actualmente están enseñando fuera de su área de certificación.

Sinceramente

Nishira Mitchell
