Schedule Change Policy

1. Reasons for a schedule change might include: counselor error, failing a required course, passed a course in summer school or night school, etc.
2. Schedule change requests will NOT be considered for the purpose of teacher preference.
3. A change request may require the entire schedule to be altered to meet the request you have made. Including different teachers and different class periods.
4. Once a schedule has been changed, it cannot be changed back again to the original schedule.
5. **All schedule change requests must be approved by the Assistant Principal for Curriculum, department head and guidance counselor.**

I am aware of the programs offered to my child at King High School, and I agree with his/her choices as indicated. I have also read and understand the schedule change policy.
