# Our Mission Statement

The staff of Madison Middle School's Student Services Department takes great pride in providing exceptional, comprehensive services to our school community.

We follow professional guidelines, and participate in research-based programs that produce proven results.

We also collect data, per district policy, to help determine the impact that Student Services has on a particular targeted population or subgroup.

We are truly committed to our Mustangs in the effort to help our students become responsible, caring, and productive citizens.

## Benefits to Students, Parents and Staff

Student Services is an integral part of the total Middle School Program. Some of the benefits for the school staff, students and parents are to:

- \* Provide resources to help children with crisis intervention.
- \* Help students transition from elementary to middle school
- \* Prepare 8th graders for high school
- \* Facilitate effective communication between staff, students and parents
- \* Help parents understand their student's academic progress
- \* Select strategies with parents to motivate their children to develop realistic goals
- \* Help students develop and build positive feelings about themselves, work, family and society
- \* Support students to accept their own and others' strengths and areas for growth

## How our School Counseling Program is Delivered

### ***Classroom Counseling Includes:***

- \* Helping students to transition from elementary to middle school
