**Advanced Placement (AP) and AICE Student Agreement:**

All students that want to enroll in an AP/AICE course MUST read and sign below.

- I will be expected to complete summer reading assignments/projects and failure to do so will not result in a schedule change.
- The course(s) will be challenging, and I will be expected to produce work that is held to a higher academic standard; it is incumbent upon me to work harder to raise a low grade.
- A schedule change will not be granted because of teacher preference, low grades, difficult or over-scheduled, or because the class is too demanding.
- I am expected to take the AP/AICE exam in May/June and understand I will be charged for the exam (\$40 approx.) if I do not have a College Board/Cambridge approved reason for missing the exam.
