January 30–February 3, 2023

Alafia Elementary School Vision: *Alafia Elementary Students will be compassionate, connected, and contributing citizens in our ever-changing world.*

Alafia Elementary School Mission: *We will empower all students with the opportunity and support in order to acquire the knowledge and skills necessary to reach their full potential.*

Dear Alafia Families,

Should you have had a change in address, phone number or email address, please be sure to come by our front office to update your child's emergency card. It is imperative we have your correct contact information in the case of an emergency. We also periodically send out reminder messages through the Parent Link system that allows us to text you, email you, or phone you. Parents have reported not getting these messages only to remember they did not update their information with us. We don't want to leave anyone out, so please be sure to keep us updated. Again, in the case of an emergency we need to be able to contact you. Please be sure to bring picture identification with you in order to make any needed changes on your child's emergency card.

The second grading period ended on January 9th. Report cards for the second quarter went out electronically from the school district on Monday, January 30th.

Please be sure to order your Valentine Grams!

Thank you and have a super week!

Mrs. Jackson
