Dear Parents,

As a reminder our Fall Picture Day is this Wednesday, 9/15. Also, the school district sent out notification this past Friday that the School Board has voted to extend the mask mandate lasting until Friday, October 15th. If you have already turned in a medical exemption for your child this year, you do not need to submit another. Since the initial mask mandate, there has been a decrease in the number of quarantines and isolations for our students and staff in our district and in our school. Thank you for partnering with us in providing a safe environment for learning in these difficult times.

Please stay safe, be well and have a wonderful week!

Mrs. Jackson
