

# JEFFERSON CONNECTIONS

## WHAT IS JEFFERSON CONNECTIONS?

Jefferson Connections is a platform free and accessible to all students allowing them to connect with peers and peer tutors to guide their learning and enable them to achieve their academic goals. It is a student led educational environment, where we can discuss concepts, ideas, and share resources. In addition to academics, Jefferson Connections also includes a space for communication for all clubs.

## HOW TO JOIN IN 4 STEPS

**COPY THE LINK PROVIDED:
