Riverwalk STEM Academy @ Just Elementary School

Dear Parent/Guardian of _____,

In an effort to better meet the needs of our students, Just Elementary is partnering with our Community partners, Ms. Diana Kyle and Jeannette Bradley to offer our 3rd – 5th grade students a FREE afterschool program on Tuesdays and Thursdays, from 1:55-3:00.

The Seedfolks program is an opportunity to dig deeper in Garden science, food science and design thinking through hands on activities. Your student has been invited based on their excellent behavior, showing an interest in science!

The Seedfolks program Extended Learning Program will provide after school sessions on Tuesdays and Thursdays from 1:55-3:00 beginning on Tuesday, August 17, 2021.

Transportation will not be provided. **All students must be picked up by 3:00 p.m.** Late pick-ups are not allowed, so please make all necessary arrangements for your child to be picked up on time. **After three late pickups, your child will be withdrawn from the Extended Learning Program.**

We value the opportunity for your child to experience enrichment activities during this Seedfolks Extended Learning Program . Please complete the registration form on the back of this letter and return it to your child's teacher tomorrow. If you have any questions, please contact us at 276-5708.

Your support in our efforts to help your child is greatly appreciated.

Sincerely,

Erin Fiallo
Assistant Principal
