

In celebration of American Education Week, the Teach-In introduces students to career options, hobbies and activities they may never experience.

The Great American
TEACH-IN

Hillsborough County Public Schools would like you to be a part of this annual event by speaking at any one of our hundreds of public schools on Great American Teach-in Day!

The Great American
TEACH-IN

It will be a fun day at school!

The Great American
TEACH-IN

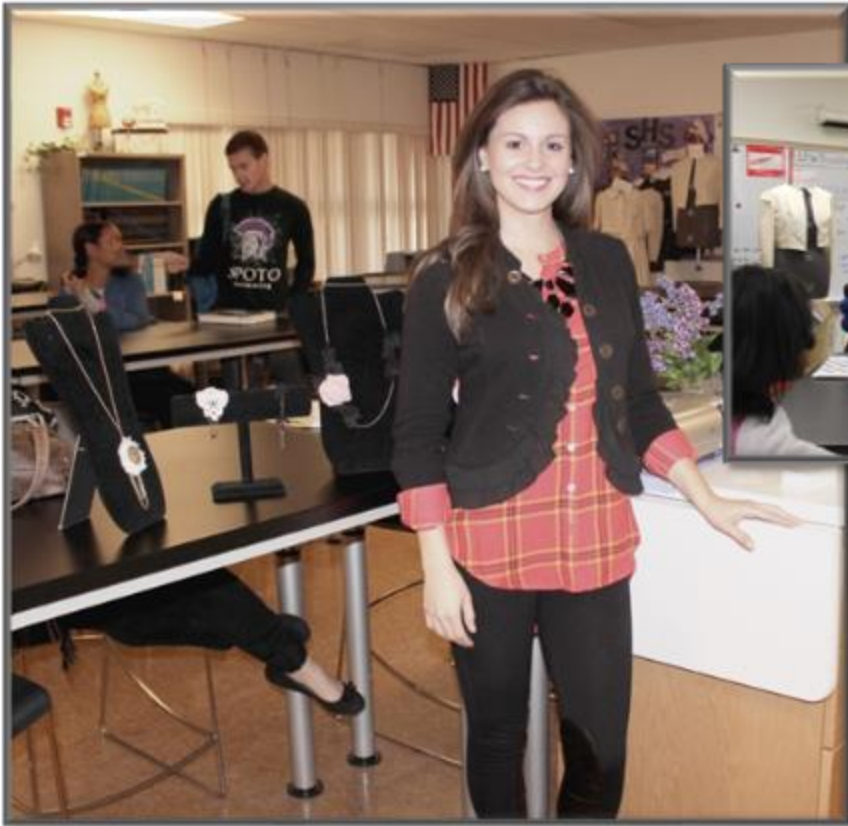

The wisdom you can impart is invaluable to our students!

The Great American
TEACH-IN

Who can participate?

Anyone, from any age group, can participate. You can talk about your hobby or your life's work.

High school students... make certain you have all necessary permissions to speak at other schools.

The Teach-In introduces students to career options they might never have considered...

The Great American
TEACH-IN

Hobbies they might never have discovered...

The Great American
TEACH-IN

And activities
they might
never have
participated
in.

The Great American
TEACH-IN

Every year thousands of volunteers in Hillsborough County share and visit our schools during GATI.

The Great American
TEACH-IN

They talk about their jobs...

The Great American
TEACH-IN

They talk about their life experiences...

And so can you!
