Kimbell Elementary School

Dear Parents/Caregivers,

We are pleased to inform you that during the week of September 19-23, your child will be taking part in Start with Hello Week at Kimbell Elementary School. *Start with Hello* teaches students the skills they need to reach out and include those who may be dealing with chronic social isolation and create a culture of inclusion and connectedness within their classroom, school or youth organization. Your student can participate by following *Start with Hello's* three simple steps:

1. See Someone Alone
2. Reach out and Help
3. Start With Hello

During this week, we will have themed days that promote the Sandy Hook Promise to *Start with Hello*.

We encourage you to talk to your child about the *Start with Hello* program and ask them to share what they have learned. Not only will that help you learn how to support your child to identify isolation, reach out and help, and Start with Hello, it also demonstrates to your child that you take this subject seriously and can support them in their actions to create a more connected and inclusive home, classroom, school and community. Thank you so much for supporting the *Start with Hello* week in partnership with the Sandy Hook Promise program.

Sincerely,

Kimbell Elementary School Student Services Staff

Lenor Holsey, School Counselor
Elizabeth Murdock, School Psychologist
Jessica Nehila, School Social Worker
