Families can contact their insurance provider (if applicable) to receive mental health services within the community. However, through the District Mental Health Plan, mental health services can be provided utilizing district funds (if that is a barrier) by generating a mental health referral. Please contact Michael Kelleher or Elizabeth Tanner with any requests for a mental health referral.

***Families can directly contact providers through their insurance (if district funds are not needed). Parents can always call 2-1-1 to be directed to additional community resources.**

If students require mental health support during the Summer, please provide students and/or families with the following resources:

24/7 Crisis Hotline: dial 2-1-1 OR Crisis Text Line: Text TALK to 741-741

LGBTQ Crisis Hotline: 1-866-488-7386

National Suicide Prevention Hotline: 1-800-273-TALK (8255)

Child Abuse Reporting Hotline: 1-800-96- ABUSE (22873)

****Call 911 immediately if imminent threat or danger****
