Core Course Teacher Recommendations

Note: Your academic courses are assigned based on grades, test scores, and teacher recommendations

- Teachers will submit core course level recommendations
- Any inquiries or requests about recommended course placement must be coordinated with the teacher.
- **Counselors will have individual meetings with students to review these recommendations starting in January.**
- Students who request 2 or more AP Courses are advised to carefully consider the TIME commitment involved!

Requests to move down to Honors from AP may be denied.

Hillsborough County Schedule Change Policy

- Valid reasons for a schedule change may include counselor or computer error, failing a required course, passing a course in summer or night school, lacking a graduation requirement, or lacking proper prerequisite.
- Students will receive course requests prior to the end of the school year. There will be an opportunity for necessary schedule corrections at that time.
- A change request may require the entire schedule to be altered including teachers and periods.
- Elective changes generally cannot be honored due to teacher unit allocations.

FLVS Information:

Course request forms printed from FLVS and the Non-Traditional Agreement form must be submitted to Alonso Guidance Department by May 28, 2021. In addition, courses that students intend to take on FLVS should NOT be listed on this programming sheet.
