Core Course Teacher Recommendations

Note: Your academic courses are assigned based on grades, test scores, and teacher recommendations

- Teachers and/or counselors will identify core course placement for students.
- Any inquiries or requests about recommended course placement must be coordinated with the middle school teacher and/or counselor.
- Middle school counselors will have individual meetings with students to review these recommendations starting in January, and students **will be advised** of their elective selections.

Hillsborough County Schedule Change Policy

- Valid reasons for a schedule change may include counselor or computer error, failing a required course, passing a course in summer or night school, lacking a graduation requirement, or lacking proper prerequisite.
- Students will receive course requests prior to the end of the school year. There will be an opportunity for necessary course corrections at that time.
- **A change request may require the entire schedule to be altered including teachers and periods.**
- **Elective changes generally cannot be honored due to teacher unit allocations.**

Graduation Requirements

English	4 Required English I, II, III, IV
Mathematics	4 required Including Algebra I or its equivalent and Geometry
Science	3 required Including 1 Biology and 2 credits in equally rigorous science course, 2 of which must have a laboratory component
Social Studies	3 required Including 1 World History, 1 United States History, ½ United States Government and ½ Economics
Fine Arts	1 required In Fine or Performing Arts, Speech and Debate, or an approved Practical Arts course (2 years of JROTC waives Practical/Fine Arts credit)
Physical Ed (HOPE)	1 required HOPE (2 years of JROTC waives HOPE)
World/Foreign Language	Not required for high school graduation, but at least 2 credits in the same language are required for admission into four year colleges and universities
Electives	7 ½ required (for Bright Futures elective credit details go to www.floridastudentfinancialaid.org)
Online/Virtual Class	At least one course must be completed through online learning
Minimum Credit Requirement	24 credits, 2.0 unweighted G.P.A.

College Admission Requirements: Minimum state requirements do not necessarily prepare you for college. Most universities require a minimum of 4 credits of English, 4 credits of Mathematics, 3 credits in Science, 3 credits in Social Science and 2 credits in Foreign Language, and a 3.0 G.P.A or higher. Your counselor can give you more information.

GPA Bonus Points: If students receive a "C" or higher in an honors class they will receive .04 per ½ honors credit, .08 per ½ credit for Dual Enrollment and AP.

FLVS Information:

If your child plans to take an online class this summer, he/she must register for the course and have his/her 8th grade counselor approve the course by May 28, 2021.

I am aware of the programs offered to my child at Alonso High School, and I agree with his/her choices as indicated. I also understand I will not be able to drop any chosen AP Classes after schedule reviews.
