Dear Parents/Guardians:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing. Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an Individual Professional Development Plan to complete the requirements needed to become in-field and/or highly qualified.

All our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at (813) 605-4950.

The table below lists teachers who are currently out-of-field.

Sincerely,

A handwritten signature in cursive script that reads "Shingleton".

Estimados padres/tutores:

Todos los educadores en Florida son monitoreados para garantizar que cumplan con los requisitos de certificación y capacitación como

Ordenado por la ley. Según el Estatuto de Florida 1012.42, cuando a un maestro se le asignan tareas de enseñanza fuera del

En el campo en el que el profesor está certificado, los padres de todos los estudiantes de la clase serán notificados por escrito.

Las Escuelas Públicas del Condado de Hillsborough se comprometen a proporcionar instrucción de calidad para todos los estudiantes y

lo hace empleando a las personas más calificadas para enseñar y apoyar a cada estudiante en el aula.

El distrito está ayudando a nuestros maestros mediante el desarrollo de un Plan de Desarrollo Profesional Individual para

Completar los requisitos necesarios para estar en el campo y / o altamente calificado.

Todos nuestros profesores están certificados para enseñar, aunque algunos de ellos están actualmente fuera del campo y están trabajando

en áreas adicionales de certificación. Usted tiene derecho a conocer las calificaciones profesionales de los maestros o para profesionales que instruyen a su hijo. La ley federal le permite solicitar cierta información sobre los maestros de su hijo y requiere que le demos esta información de manera oportuna si usted la solicita. Si desea obtener más información, comuníquese con la escuela al (813) 605-4950.

La siguiente tabla enumera a los maestros que actualmente están fuera del campo.

Sinceramente
