@HCPSBoysPrep

Magnet School of Distinction

Be a Cambridge Scholar!

Boys Preparatory Academy is one of the first schools in Hillsborough County to be a Cambridge International School and you can be apart of this amazing opportunity.

Our students understand the dedication, commitment, and focus needed to be successful and consistently outperform on state and local assessments.

Why Boys Prep?

- No-cost after-school enrichment program
- No girls = less distractions and peer pressure
- 1:1 iPad program. Our students were ready for eLearning since everyone student has an iPad!
- Mandatory uniforms
- High School credit courses to give our students an advantage in high school.

@HCPSBoysPrep

A MAGNET PROGRAM

Have You Heard...

BPA offers a college preparatory culture in a single gender environment and has exceeded 570 students in grades 6 - 8 from all over Hillsborough County.

One of the special features at BPA is its House System. The school is comprised of three houses, and each student is placed in one of the houses. Each house is made up of a Dean, Mentor Teachers, Captains, and an Executive Officer and students. The House system nurtures an environment of healthy competition and character education that allows students to participate in their school community, build camaraderie, and develop accountability and good sportsmanship.

Young men develop strong character by focusing on the core values of the school: honesty, integrity, responsibility, perseverance, courtesy, judgment, sportsmanship, confidence, and respect. With the support of our Prep Scholar Profile attributes, our students create habits in the classroom that allow for creative and critical thinking to happen in order to solve a problem.

Success in advanced, high level courses, as well as college and future careers, is our goal. Visit us on the web at <http://franklin.mysdhc.org>.

Points of Pride

- BPA's iPad initiative program was recognized as an Apple Program of Distinction.
- BPA offers 6 different high school courses.
- BPA is a National Magnet School of Distinction.
- Saturday School Academies are offered throughout the year. We offer extensive After School Enrichment Academies free of charge.
- BPA's Capstone Project built a Gold Star Families Monument on our BPA campus. The Capstone Project's mission is to honor the sacrifices of our fallen soldiers and their families by building a monument that will memorialize the sacrifices of these loved ones as well as family members who remain to grieve the loss.
- 100% of BPA's Geometry students and 95% of BPA's Algebra Honors students passed the EOC.
- 2017-18 Cluster Champions for Soccer, Volleyball, and Basketball

GIRLS PREPARATORY ACADEMY AT FERRELL MIDDLE MAGNET SCHOOL

4302 24TH STREET | TAMPA, FL 33610 | 813-276-5608

A MAGNET PROGRAM *A Magnet Program*

Have You Heard...

Girls Preparatory Academy (GPA) is a distinguished school that is dedicated to developing confident, dynamic, educated young women. We are a magnet school with approximately 590 girls in grades 6-8 coming from across Hillsborough County.

Innovative teaching and the use of technology are hallmarks of Girls Prep. Each student is issued an iPad 2 to use in every class. Each classroom is outfitted with the latest technology, and teachers incorporate engaging, interactive strategies to create a learning-focused college preparatory community.

Rooted in rigor and the latest research, our teachers create a collegiate and academic environment where girls thrive. With challenging curricula, our girls are encouraged to take academic risks that prepare them for future success.

Learning is not restricted to the classroom. Saturday School and **After-School Enrichment Academies** are offered Tuesday through Friday to allow our girls to explore and nurture their interests and talents.

Success in advanced, high-level courses, as well as college and future careers, is our goal. *Our motto: Every Girl, Every Day, College Bound.*

Points of Pride

- A-rated school by the Florida Department of Education
- GPA offers 8 different high school credit classes
- GPA offers an Accelerated Math Academy
- GPA's Algebra and Geometry End of Course Exam pass rate is among the highest in the district and state
- GPA's 7th graders consistently outscore both the state and district on Civics End of Course Exam.
- Several of GPA's Math and Science teachers are recognized as High Impact Teachers by the State of Florida, an honor only a few select educators receive each year.
- GPA's 1:1 iPad initiative program was recognized as an Apple Program of Distinction.
- GPA is a Magnet Schools of America School of Excellence.
- Monthly Saturday School Academies are offered.

SCHOOL CREED

We are strong, confident young women.
 We believe that we can achieve anything
 because we are
 dedicated, committed, and focused.
 We are exceptional- not because we say it,
 but because we live it.
 We each have a voice that empowers,
 and we choose to use it
 to uplift ourselves and others.
 We believe in nurturing our
 minds, bodies, and school spirit.
 We will not fail in the face of adversity.
 We are resilient.
 We are One.

We are the Girls Preparatory Academy.
