**A Special Shout Out!**

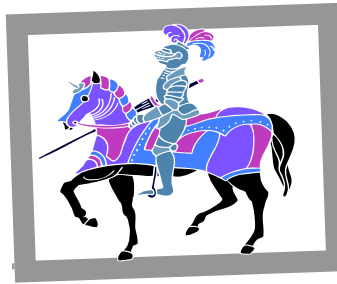

Let's hear it for Mrs. Young's class! They are working on making healthy choices and learning about healthy foods and exercise. In fact, they completed a several week exercise challenge during February and March. They walked, did chores around the house, did calisthenics, swam and more! Way to go!

**The Special Olympics and March Madness at LaVoy**

In March, LaVoy participated in the Special Olympics and March Madness. For the Special Olympics, students focused on the Motor Activity Training Program (MATP) which progresses students in fine and gross motor skills. All participants and coaches (paraprofessionals) received a shirt and a beautiful GOLD MEDAL! These medals are special as they are only given to first place finishers at the state level. March Madness had nearly twenty of our students participating in basketball, art and music events. These students received a McDonald's lunch and awards.

Fun was had by all and we are looking forward to 2022! Thank you to Coach Klein and all of her helpers for making these two events successful for our students!

**Title 1/ Parent Connect**

Title 1 is a large federal assistance program for our nation's schools. The goal of Title 1 is a higher quality of education for every child. Our school receives Title 1 funds to pay for additional resources to support the needs of the students and parent involvement. Our parent involvement program at LaVoy is called Parent Connect. If you are interested in joining our School Advisory Committee, please contact Mrs. Pamela Kennedy at (813)872-5285.

**Students of the Month**

Each month a few outstanding students are chosen as Students of the Month. These students have excelled in some way at LaVoy. Congratulations to all of March's Students of the Month!
