During the 2021-2022 school year, all Hillsborough County public and charter schools will be required by Florida State Statute to complete the Best Practices for Inclusive Education (BPIE) assessment. The BPIE is a self-assessment for schools and districts to evaluate the status of inclusion, identify priority needs, and implement improvement plans to achieve change. The School and District BPIE's are completed by a team that includes family members—learn more about this assessment and how you can get involved.

Parent Services is supported by Florida Diagnostic and Learning Resources System (FDLRS) and Hillsborough County Public Schools (HCPS). Our goal is to guide and empower families to become collaborative, effective advocates for their child with special needs by providing information, help and support to promote academic and social success in school and within the community. Each Exceptional Student Education (ESE) parent liaison works closely with regional district schools and staff and is a parent of a child who has received
