

# You can change your future.

## Apply for scholarships starting Nov. 1, 2021!

We support students' dreams to continue their education after graduation and understand that affording the opportunity can be challenging. Twelfth grade students with aspirations of continuing their education after high school at a university, community or technical college can apply for scholarships ranging from **\$500** to **\$10,000**.

**APPLY  
ONLINE!**

**November 1, 2021 –
