

Lewis Elementary

LEARN HERE, SUCCEED ANYWHERE

Opening Day Safety Updates

In order to keep our children safe, we will adhere district and CDC guidelines. The safety protocols are as follows:

- ◆ Parents are not permitted on campus. New students and younger students will be escorted by a staff member. Parents can register or pick up materials by appointment only.
- ◆ All students and staff will be required to wear masks. Masks can be removed when eating, drinking or at a six feet distance.
- ◆ Students will frequently utilize sanitation stations and wipe down high touch areas such as keyboards. Custodians will disinfect classrooms, lunchroom, high traffic areas, and playground daily.
- ◆ Students with cold symptoms will be picked up by parent immediately.

Thank you for your support in keeping our kids safe!
