

Dear Parents,

Our word of the month is **inquirers**. This is one of my favorite **Learner Profile Attributes**. It is truly what sets our school apart from other elementary schools. Every transdisciplinary theme begins with: What is our Purpose? It's to inquire into the theme and the central idea of each unit. Our teaching is based on inquiry. We want our students to tune in, find out, sort out, go further, make conclusions, and take action. I love watching our students investigate and research. This is a great place for students to learn and grow.

Yours in IB Excellence,

Ann Rushing
