

Dear Parents,

Our Learner Profile trait for the month of December is “Reflective”. Many of us would say this has been a year we don’t want to remember so we don’t care to reflect, but I believe there are always things we can learn from looking back. May you take this month to reflect with your child and family each day—talk about your day, what went well, what did you learn, what do you want to do differently, how can you do something for others.

Please know we count it a privilege to be able to teach your children each day. Every day they make us smile. Enjoy your winter break and do something fun with your children. My children loved to play cards, board games, and kick the ball in the back yard—all free, but a lifetime of memories!!

Yours in IB Excellence,

Ann Rushing
