

Dear Lincoln Families,

It has been awesome seeing your children this week. We thank you for such a smooth opening. As you know your kids are amazing. I love walking in the classrooms and watching them interacting with their teacher and their peers.

You should be proud. Our students are practicing their social distancing and wearing their masks. It is our "new normal" for now. Thank you for your help with this. We will not let this pandemic define us. We are expecting great things this year—our students will be successful and we will help each child reach his/her potential.

Yours in IB Excellence,
Ann Rushing, EdS
Principal
