

Dear Parents,

We want to thank you for your support during this very different school year. Our brick and mortar students and our eLearners are working so diligently. We look forward to when we can ALL be back together, but for now we are being open-minded knowing that our students will have a successful year.

Our learning profile word for October is open-minded. We appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience. We want our students to listen to other people and respect their ideas.

Yours in IB Excellence,
Ann Rushing, EdS
Principal
