## A Message from our Assistant Principal....

At this point in time, teachers have communicated through interim reports of your child(ren)'s progress. Alerts were expected to be distributed during the week of November 30 AND the 2nd quarter ends Thursday, January 14th. Second quarter report cards will be electronically distributed Monday, February 8th. Remember should you have any concerns or question regarding progress contact the teacher.

One of our effective communication methods is that of our web site. The format is brand new! Visit us @ <https://www.mysdhc.org/lopez>. A wide variety of information is available at our Lopez web site in keeping our families up-to-date with upcoming events along with other opportunities i.e. SLAM Books.

With the New Year here....make a resolution to find time to read one of the available SLAM Books along with your child. The SLAM list is posted on our web site.
