

Armwood High School

Elective Programming

Welcome to Armwood!

Take a look at our Elective options and make your selection at tinyurl.com/AHSElectiveForm or through the QR code below!

Per the HCPS Student Progression Plan, students will be enrolled in 7 class periods. Our 9th grade electives are designed to place & expose students to a variety of options that will best support their 4 Year High School career & beyond!

Your placement in your core classes will be based on your performance in your current coursework, as well as your upcoming state assessments!

If you have any special circumstances or concerns, please reach out to our School Counselors! Their contact info is located on the back of this sheet!

Pick your Top 5 courses below and enter them through our Forms link using your Student ID (StudentID@hcps.net) and your Canvas password!
