## School Board Approval

This plan is pending approval by the Hillsborough County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

**Provide the school's mission statement.**

Every student will believe, achieve, and succeed.

**Provide the school's vision statement.**

We support the District’s vision of Preparing Students for Life, and are working to ensure that our students leave our school equipped with the tools they need to graduate on time. Our District’s graduation rate goal is 90% by 2020. With that in mind, we have developed the following Vision for our school:

Every student will reach their highest potential.

### School Leadership Team

**Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Ruiz, Sabrina	Principal	Collaborate and problem solve to ensure the implementation of high-quality instruction practices utilizing the RTI/MTSS process: at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels. Support the implementation of high-quality instructional practices at the core and intervention/enrichment Review ongoing progress monitoring data at the core to ensure fidelity of instruction and attainment of SIP goal(s) in curricular, behavioral, and attendance domains. Communicate schoolwide data to PLC and facilitate problem solving within the content/grade level teams. Design and implement the School Improvement Plan Manage the daily operations of the school Provide instructional leadership to achieve the goals outlined in the School Improvement Plan

### Demographic Information

**Principal start date**

Wednesday 7/28/2021, Sabrina Ruiz

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

1

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

10

**Total number of teacher positions allocated to the school**

**Total number of students enrolled at the school**

**Identify the number of instructional staff who left the school during the 2020-21 school year.**

**Identify the number of instructional staff who joined the school during the 2021-22 school year.**

**Demographic Data**

**Early Warning Systems**

**2021-22**

**The number of students by grade level that exhibit each early warning indicator listed:**

Indicator	Grade Level													Total

### Part III: Planning for Improvement

#### Areas of Focus:

**#1. Instructional Practice specifically relating to Collaborative Planning**

**Area of Focus Description and Rationale:** Using the 5 Why Protocol we uncovered along with recent trend data from classroom walk-throughs and informal/formal observation data, teacher lesson plans and learning tasks designed by teachers did not always meet grade level standards nor demonstrate proficient content knowledge. Further findings included: Majority of students not performing at Achievement Level Descriptors 3+ in Reading and Math. Students have not mastered grade level standards as shown on 2021 spring FSA data for ELA-31% proficient & Math-33% proficient. Science proficiency in 5th grade also dropped 12 points from the previously tested year showing proficiency at 31%. Students are not consistently given grade appropriate tasks that are aligned to the standard. Inconsistent collaborative planning sessions that focus on surface level aspects/tasks. Based on recent trend data from walk-throughs, observations, lesson plans, teachers do not have clarity around appropriate tasks and the success criteria that leads to standard mastery.

**Measureable Outcome:** 50% of students in grades 3-5 will perform on or above grade level as measured by Reading & Math iReady Diagnostic 3 administered Spring 2022. With the support of Math Coach and Reading Coach grades 3, 4, and 5 will meet 2x weekly for 50 minutes each session to collaboratively plan standards aligned lessons with clear lesson tasks. Reading and Math Coach will also push in daily to support core content. Coaches will provide data support to the grade levels in planning lessons responsive to student needs and monitor school-wide data in order to help meet the needs of all students. Teachers K-5 will participate in PLC sessions and grade level planning sessions to increase teacher content knowledge and align student learning tasks to grade level standards.

**Monitoring:** Daily academic schedule and planning sessions (ELA, Math, Science) to be approved and monitored by admin on weekly basis through learning walks and admin attendance at collaborative planning session. Admin will conduct weekly learning walks focused on Domain 3 of the EET rubric to measure improvements in teacher clarity. September learning walks will be conducted to collect baseline data. Subsequent cycles October-May will be used to gather percentage of increase towards accomplished and exemplary ratings in Domain 3.

During quarterly data chats, walkthrough data and student assessments will be reviewed to verify correlations between teacher clarity and increased student performance. Leadership will create/use checklist addressing teacher clarity of standards aligned instruction, lesson outcomes & create walk-through schedule. Administration will conduct consistent walk-throughs, follow-ups and data collection to ensure implementation of planned grade level appropriate lessons and communicate trends to individual teachers and faculty. Person responsible principal Sabrina Ruiz

**Person responsible for monitoring outcome:** [no one identified]

**Evidence-based Strategy:** 1:1 Student Goal Setting to increase student engagement  
Collaborative Planning Focused on Standard Alignment, Teacher Clarity, and Student Engagement  
Differentiation as focus for Coaching Push in Support

**Rationale  
for  
Evidence-  
based  
Strategy:**

1:1 Student Goal Setting, Collaborative Planning Focused on Standard Alignment/Teacher Clarity & Differentiation as focus for Coaching Push in Support are all strategies that share effect sizes above .41 supporting a year's worth of growth as outlined in Visible Learning by Doug Fisher.

**Action Steps to Implement**

Reading coach will offer planning support in grades 3-5, push in support for core instruction focused on differentiation for lowest performing ESSA subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL), lead differentiation planning for students in Tier 2 & 3 during weekly MTSS meetings, and lead data dives focused on common weekly assessments, diagnostics, and monthly and/or quarterly assessments. Daily schedule approved and monitored by admin on a weekly basis. The two days of 50 minute Grade Level Common Planning for 3rd-5th grade teachers will be led by Reading Coach and monitored by Admin. Coach will develop planning protocol to be completed during these collaborative planning sessions with grade levels each week. Teachers will use item specs and ALD's when planning. Walk through and classroom observations will be used for monitoring.

Alicia Palmer: Reading Coach 3-5-hire action completed.

Person Responsible is the Principal - Sabrina Ruiz

**Person Responsible** [no one identified]

Math coach will offer planning support in grades 3-5, push in support for core instruction focused on differentiation for lowest performing subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL), lead differentiation planning for students in Tier 2 & 3 during weekly MTSS meetings, and lead data dives focused on common weekly assessments, diagnostics, and monthly and/or quarterly assessments. Daily schedule to be approved and monitored by admin on a weekly basis. The two days of 50 minute Grade Level Common Planning for 3rd-5th grade teachers will be led by Math Coach and monitored by Admin. Coach will develop planning protocol to be completed during these collaborative planning sessions with grade levels each week. Teachers will use item specs and ALD's when planning. Walk through and classroom observations will be used for monitoring.

Kim Hunter: Math Coach 3-5-hire action completed

Person responsible is the Principal Sabrina Ruiz

**Person Responsible** [no one identified]

Two days of 50 minute Grade Level Common Planning for 1st-5th grade teachers outlined in Master Schedule. Planning to be lead by Math and ELA coaches and monitored by Admin. Schedule will begin 8/2021 and end 5/2022. Coaches will develop planning protocol to be completed during collaborative planning sessions with grade levels each week. Included in protocol will be the development of exemplars for the week, a look at common assessment results, & planning for student misconceptions. Teachers will use item specs and ALD's when planning. Content coaches will support teachers with their understanding of the standards to be taught. Tasks and questions will be shared during these sessions. The alignment of the tasks to the standards being taught will be discussed. Informal assessments to monitor clarity around appropriate tasks, & texts.

Monitoring: Walkthroughs to look for implementation of clarity as relates to standards aligned tasks; & common assessment data

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Hire Parent Family Engagement Liaison who will be Responsible for bridging the gap between parents and teachers to support student achievement and improved student attendance in grades Kg-5th. PFEL will work with Community Resource teacher to survey needs of stakeholders and build wrap around programming to support needs. Needs to be addressed include academic areas uncovered during 50 minute grade level common planning sessions. The PFEL will communicate strategies and provide resources to parents quarterly to address academic concerns of lowest performing subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL). Role and duties will be monitored by Admin through PTSA minutes and goal tracking as well as monthly attendance reports, observations and evaluations. Position to begin 8/2021 and end 6/2022.

Kerri Blosser: PFE Liaison-hire action completed

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Title1 Aide will support 1-5 iReady and Imagine Learning programming fidelity with focus on time on task and lesson pass rate 70%+ during daily lab schedule.

Teacher Asst/KG Aide will support iReady and Imagine Learning program fidelity with focus on time on task and lesson pass rate 70%+ daily and provide differentiated small group support for KG students.

Teacher Asst for grades 1-5 will offer daily differentiated small group support for Tier 2 students.

These positions support focus of collaborative planning by affording classroom teachers the uninterrupted time to implement 50 min planning sessions. The data for iReady and Imagine Learning usage and pass rates will also be used to plan for ELA & Math remediation and spiral review needed for students in KG-5th.

Monitored by grade level team leaders and Admin through walkthroughs, lesson plan reviews, scheduling approval, & student work samples.

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Parent and Family Engagement materials to be ordered and housed in PFE resource center. As mandated by ESSA Section 1116 meaningful activities will be conducted to provide the communication and support necessary to assist and build the capacity of all families and staff in planning and implementing effective parent and family engagement activities to improve student academic achievement and school performance.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Science Resource Teacher will be responsible for supporting K-5 teachers with science. The resource teacher will plan with 3rd-5th grade teachers on specific science standards. Using the data from assessments, the resource teacher will provide targeted small group instruction. The administrative team will progress monitor the data and planning session and provide support. The team will conduct walkthroughs and provide feedback to the science resource teachers. Based on the trends, the science resource teacher will support teachers in their planning sessions to improve academic achievement.

Walk through and classroom observations will be used for monitoring.

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Penda learning is a digital curriculum that fosters and accelerates mastery of science for students in grades 3-5. This program will be used in and out of the classroom.

The administrative team and science resource teacher will monitor the students' progress on PENDA. The team will conduct PD to ensure the digital curriculum is completed with fidelity. Based on the data, the teachers will be able to plan lesson and provide specific assessments for their students.

Walk through and classroom observations will be part of the monitoring. Penda Learning usage data and student proficiency with the standards will also be used as part of monitoring of this action step.

Person responsible is principal Sabrina Ruiz

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Purchase online subscription Nearpod. The subscription will increase student engagement with collaborative activities and formative assessments in the classroom in grades KG-5th. The teachers will be able to utilize assessments drive insights into student learning. They will know where every student is in their learning and adapt instruction in real time with in the moment feedback. The administrative team will progress monitor the data and provide feedback and support to teachers. Based on the feedback, a plan will be created to ensure students are meeting the standard. Nearpod will also be utilized to build lesson sequences during 50 minute common planning sessions.

Walk through and classroom observations will be part of the monitoring. NearPod usage data and student proficiency with the standards will also be used as part of monitoring of this action step.

Person responsible is principal Sabrina Ruiz

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Order 12 Newline Interactive Boards, Scholastic News Subscriptions (K-5) along with 20 Teacher Laptops to increase student engagement during lessons and promote efficient collaborative planning sessions outlined on Master Schedule. Student outcomes include authentic learning activities that have real-world relevance requiring students to take ownership to complete the activities presented by the teacher. These resources allow for complex tasks to be investigated by students over a sustained period of time, provide the opportunity for students to examine the task from various perspectives, using a variety of resources. Additionally, these educational resources provide the opportunity for students to collaborate with each other and to reflect on their learning, can be integrated across various content areas and can be integrated with formal and informal assessments.

Walk through and classroom observations will be part of the monitoring conducted by the Administration team.

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Order PD resources to support monthly book study on topics designed to minimize disruptions to teaching, keep students in class and engaged in learning: 20 Discipline with Dignity & Fostering Resilient Learners Monitoring will occur through monthly review of school-wide discipline data and PBIS student incentive participation in monthly events.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Contract with Teacher Learning Center for 4 hours of professional development for entire staff focused on coaching/training sessions with Brian Mendler. Sessions will occur quarterly and will support school-wide

book studies which focus on minimizing disruptions to teaching, keep students in class and engaged in learning.

Walk through and classroom observations will be part of the monitoring conducted by the Administration team to ensure fidelity and authenticity of implementation of strategies learned.

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Additional reading coach will offer planning support in grades Kg-2nd, push-in support for core instruction focused on differentiation for lowest performing ESSA subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL), lead differentiation planning for students Tier 2 & 3 during weekly MTSS meetings, and lead data dives focused on common weekly assessments, diagnostics, and monthly and/or quarterly assessments. Daily schedule to be approved and monitored by admin on a weekly basis. The two days of 50 minute Grade Level Common Planning for Kg-2nd grade teachers will be led by Reading Coach and monitored by Admin. Coach will develop planning protocol to be completed during these collaborative planning sessions with grade levels each week.

Walk through and classroom observations will be part of the monitoring conducted by the Administration team

Person responsible is principal Sabrina Ruiz

**Person Responsible** [no one identified]

Additional math resource teacher will offer planning support grades Kg-2nd, push-in support for core instruction focused on differentiation for lowest performing subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL), lead differentiation planning for students Tier 2 & 3 during weekly MTSS meetings, and lead data dives focused on common weekly assessments, diagnostics, and monthly and/or quarterly assessments. Daily schedule is approved and monitored by admin on a weekly basis. The two days of 50 minute Grade Level Common Planning for Kg-2nd grade teachers will be led by Math Coach and monitored by Admin. Coach will develop planning protocol for use during these collaborative planning sessions with grade levels each week. Protocol will include exemplars for the week, a look at common assessment results, & planning for student misconceptions. Teachers will use item specs and ALD's when planning.

Monitoring: Walk through and classroom observations conducted by the Administration team

**Person Responsible** [no one identified]

Provide Extended Learning Activities for Students-Day time tutor: (1 teacher/12 hours per week/35 weeks/ Aug. 30-April 30)

The academic focus for day-time tutorial will be grades 3-5, specifically students scoring level 2 in Reading and Science on FSA 2020-21 school year. This will include approximately 15-20 students in each grade level (3rd-5th). The estimated time frame for this tutorial will be August 30,2021 through April 30,2022 including 12 hours per week for 35 weeks. Personnel selected to support this activity will be one certified effective State VAM teacher who will be paid the district's tutorial rate of \$27.00 per hour.

Walk through and classroom observations during the extended learning time will be part of the monitoring conducted by the Administration team to ensure that learning tasks are aligned with standards and collaborative plan.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Provide Extended Learning Activities for Students-After school tutorial: (8 teachers/4 hours per week/15 weeks/Oct. 15-March 31)

Academic focus for after school tutorial will be grades 3-5, specifically students performing below grade level (FSA Level 1) for the time frame of Oct.-Dec. 2021 (7 weeks) in the areas of Phonics and Vocabulary for ELA and overall Math skills including basic computation and problem solving. The academic focus will shift to students scoring FSA High Level 2's and Level 3's in grades 3-5 in the areas of reading comprehension for ELA and problem solving for Math based on current data for the time frame of Jan. through March 2022 (8 weeks). This activity supports student-centered discussion during collaborative planning as it relates to mastery of grade level ELA/Math standards. Instructors will be 8 effective and/or highly effective State VAM teachers.

Monitoring: Walk through and classroom observations during the extended learning time.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Provide Extended Learning Activities for Students-Saturday School: (8 teachers/4 hours each Saturday/15 weeks/Oct. 15-March 31)

The academic focus for Saturday tutorial will be all students in grades 4-5 for the time frame of Oct. 15-March 31,2022 in the areas of Writing and Science which will include differentiated 4th and 5th grade level standards based on the needs of the students from current data sources. This will include approximately 100 students from 4th grade and 100 students from 5th grade. These learning opportunities will further support student centered discussion during collaborative planning as it relates to mastery of Science and Writing standards. Personnel selected to support this activity will be 8 effective and/or highly effective State VAM teachers who will be paid the district's tutorial rate of \$27.00 per hour.

Walk through and classroom observations during the extended learning time will be part of the monitoring conducted by the Administration team to ensure that learning tasks are aligned with standards and collaborative plan.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Instructor Duties added (non-student): (6 hours of planning each quarter/45 teachers)

In order to enhance 50 minute collaborative planning sessions, Teachers will be given 4 hours each quarter of the school year for instructor duties added (non-student) to include planning ELA, Math & Science units and curriculum, analyzing data, and/or PLC's in a collaborative setting. All grade levels, including resource coaches and special area teachers, will be selected to participate with a total of approximately 45 staff for the time frame of August 2021-May 2022 and will be paid their hourly rate of pay (approximated as \$36/hour).

Walk through and classroom observations will be part of the monitoring conducted by the Administration team to ensure that learning tasks are aligned with standards and collaborative plan.

Person responsible is Principal Sabrina Ruiz

**Person Responsible** [no one identified]

**#2. Instructional Practice specifically relating to ELA**

**Area of Focus Description and Rationale:** The state recently passed HB 7011, which established the Reading Achievement Initiative for Scholastic Excellence (RAISE) within the Florida DOE. The RAISE program establishes criteria for identifying elementary schools needing additional support in reading. This need was identified for our school based on having average proficiency levels below 50% on the 3rd, 4th and/or 5th grade FSA in 2021. Our average ELA proficiency on FSA 2021 was 31%. According to EDUDATA school report card for Mango Elementary, specific subgroups to address include Black, Hispanic, Multi-racial, SWD, ELLs, Economically Disadvantaged, Male & Female who all earned less than 50% of total points to be earned to contribute to our school grade.

**Measureable Outcome:** Our measurable outcome is to increase our average ELA proficiency in grades 3-5 to 45% on FSA in spring 2021.

Weekly monitoring of student progress on Achieve 3000 and iReady to ensure fidelity of program use with 2 articles/lessons passed at 75% or higher on the first try for students in grades 3-5.

**Monitoring:** Monthly data chats with each grade level to occur last Thursday of each month will focus on % of students showing proficiency on site-based common assessment, district created PMA's, and most current diagnostic results to set class and individual student goals and address any barriers to meeting goal of at least 45% proficiency in each ELA class.

**Person responsible for monitoring outcome:** Sabrina Ruiz (sabrina.ruiz@hcps.net)

**Evidence-based Strategy:** Fidelity to Program use: iReady, Ready LAFS, & Achieve 3000 (RTI Tier 2 all students in grades 3-5); LLI reading program, BrainSpring, Imagine Learning, & iReady Teacher Toolkit Lessons (RTI Tier 3 select subgroups-ESE, ELL, BQ)  
1:1 student goal setting  
Teacher Feedback

**Rationale for Evidence-based Strategy:** Response to Intervention, Interventions for SWD, & 1:1 Student Goal Setting, all strategies that share effect sizes well above .41 supporting a year's worth of growth as outlined by the work of John Hattie and detailed in "Visible Learning" by Doug Fisher.

**Action Steps to Implement**

Reading coach will offer planning support in grades 3-5, push in support for core instruction focused on differentiation for lowest performing ESSA subgroups (SWD, Hispanic, White, Econ. Disadvantaged, Black, Multiracial, & ELL), lead differentiation planning for students in Tier 2 & 3 during weekly MTSS meetings, and lead data dives focused on common weekly assessments, diagnostics, and monthly and/or quarterly assessments. Daily schedule approved and monitored by admin on a weekly basis. The two days of 50 minute Grade Level Common Planning for 3rd-5th grade teachers will be led by Reading Coach and monitored by Admin. Coach will develop planning protocol to be completed during these collaborative planning sessions with grade levels each week. Teachers will use item specs and ALD's when planning. Walk through and classroom observations will be used for monitoring.

Alicia Palmer: Reading Coach 3-5-hire action completed.

**Person Responsible** Sabrina Ruiz (sabrina.ruiz@hcps.net)

Provide Extended Learning Activities for Students-Day time tutor using LLI: (1 teacher/12 hours per week/ 35 weeks/Aug. 30-April 30)

The academic focus for day-time tutorial will be grades 3-5, specifically students scoring level 2 in Reading on FSA 2020-21 school year. This will include approximately 15-20 students in each grade level (3rd-5th). The estimated time frame for this tutorial will be August 30,2021 through April 30,2022 including 12 hours per week for 35 weeks. Personnel selected to support this activity will be one certified effective State VAM teacher who will be paid the district's tutorial rate of \$27.00 per hour.

Walk through and classroom observations during the extended learning time will be part of the monitoring conducted by the Administration team to ensure that learning tasks are aligned with standards and collaborative plan.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Provide Extended Learning Activities for Students-After school tutorial: (8 teachers/4 hours per week/15 weeks/Oct. 15-March 31)

Academic focus for after school tutorial will be grades 3-5, specifically students performing below grade level (FSA Level 1) for the time frame of Oct.-Dec. 2021 (7 weeks) in the areas of Phonics and Vocabulary for ELA. The academic focus will shift to students scoring FSA High Level 2's and Level 3's in grades 3-5 in the areas of reading comprehension for ELA based on current data for the time frame of Jan. through March 2022 (8 weeks). This activity supports student-centered discussion during collaborative planning as it relates to mastery of grade level ELA standards. Instructors will be 8 effective and/or highly effective State VAM teachers.

Monitoring: Walk through and classroom observations during the extended learning time.

**Person Responsible** Kimberly Parke (kimberly.parke@sdhc.k12.fl.us)

Weekly ELA walk through and classroom observations will be part of the monitoring and feedback cycles using The Four Principles of Excellent Instruction as connected to Mango's Look Fors 2021-2022. The coach and Admin team will conduct 5 feedback cycles per week in ELA beginning October 2021.

**Person Responsible** Sabrina Ruiz (sabrina.ruiz@hcps.net)

## Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**According to SafeSchoolsforAlex.org, Mango elementary is considered in the "very low" range at #11 out of 119 elementary schools in the county.**

**As part of Mango's plan, school-wide CHAMPs will be used. Clear, concise expectations will be created for each public area. Teachers will also implement CHAMPs as part of their daily classroom instruction. Mango will embed practices and language from the Seven Mindsets during our SEL instruction provided by both the classroom teacher and the School Counselor. In addition, Mango Elementary will implement PBIS, using a token economy to encourage positive behaviors inside and outside the classroom. Classroom teachers will be responsible for turning PBIS data into the Title 1 Para or RTI Resource Teacher assigned to their grade level. Results of the points will be displayed by grade level on the morning show Monday of each week.**

**The Student Services Team, in conjunction with administration, will complete classroom walkthroughs focused on the implementation of CHAMPs and PBIS. We will also monitor behavior tracker data on a monthly basis and provide proactive measures such as counseling, teacher coaching, and behavior plans as necessary to students who are displaying warning signs.**

#### **Part IV: Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

#### **Describe how the school addresses building a positive school culture and environment.**

School staff, students, parents, and the community will work together to develop skills and habits for personal and academic success. Parent Liaison will work to bridge the gap between parents and teachers to support student achievement. We work hard at building positive relationships with our families and community partners. We encourage parents to participate in all of our events by sending home flyers, making parent link phone calls, emails and texts, utilizing social media and our website to post relevant information. We make every effort to communicate every child's progress to the parent or guardian by sending home quarterly progress alerts and holding parent-teacher conferences. Mango is a Leader in Me school. This is a comprehensive school improvement model that empowers students with the leadership and life skills they need to thrive in the 21st century. All settings are structured for success, expectations for student behavior are explicitly taught through PBIS, monthly Seven Habits character skill building and daily through the Leader in Me program.

Parent and Family Engagement materials are to be ordered and housed in PFE resource center. As mandated by ESSA Section 1116 meaningful activities will be conducted to provide the communication and support necessary to assist and build the capacity of all families and staff in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance.

**Identify the stakeholders and their role in promoting a positive culture and environment at the school.**

Parent Liaison will be Responsible for bridging the gap between parents and teachers to support student achievement and improved student attendance in grades Kg-5th. Role and duties will be monitored by Admin through PTSA minutes and goal tracking as well as monthly attendance reports, observations and evaluations.

SAC Chair will work to bridge the gap between School and Community Partners in order to positively effect student achievement.

Guidance Counselor will work to build parent and family programming through partnerships with Faith Based leaders, local businesses, PTA, and All Pro Dads chapter set to begin 9/2021. Goals will be improved student attendance, parenting education, & increased parental involvement.

**Part V: Budget**

1	III.A.	Areas of Focus: Instructional Practice: Collaborative Planning				\$294,842.75
