Please call your school for questions regarding report cards, grades, or test scores.

3. Scroll to the bottom of the "2022-2023 School Year" tab to view current report cards and test results. Click on "Open Family Portal" to view detailed STAR or FAST (State Testing) results.

Report Cards

- Report cards reflect grades as of the posting date. Updates and/or corrections are recorded in the student's permanent record, if needed.
- The district and state grade point average (GPA) calculations for high school courses are based on the semester final grades and are updated at the end of each semester.

Test Scores

The new Family Portal provides a centralized location for your student's statewide assessment results and Individual Score Reports. Beginning with the 2022-2023 FAST administration, families will be able to access their child's scores on the Family Portal within several days of test completion. However, some FSA/NGSSS results will take longer to post to this site.

The following links provide access to additional information regarding statewide assessment results:
