## McKitrick's Morning Show Crew

Dear Parents,

It is time for students to choose the extracurricular activity they would like to be involved in for their 5<sup>th</sup> grade year. McKitrick limits the participation in these extracurricular activities to one activity per student due to the time conflicts and to allow more students the ability to be involved in a school activity.

Students must meet the general criteria to participate in any activities:

Maintain good grades

Exhibits good behaviors and sets examples for each other

Be responsible

Morning Show Criteria:

- Fill out the application and plan for a FlipGrid Video
- Student selection based on ability to speak in front of an audience, creativity, and technical abilities, and a reference from their teacher sent to me via email. Technologies will be taught.
- Crews must be able to be at school by 7:35 on that day to prepare for the daily show.
- For additional information, contact [aimee.kennedy@hcps.net](mailto:aimee.kennedy@hcps.net)

Please talk to your child about the criteria and if he or she would like to apply for the Morning Show Crew:

1. Fill out the information below, complete the application, and provide one teacher reference.
2. Email paperwork to Ms. Kennedy at the above email address by May 10, 2021

Use this paper to plan your video clip: think of a sample weather report, lunch menu report, or top news story that you can give in your video. You can be as creative as you would like, but the video must be no longer than 2 minutes. 😊  
(Have fun! —I want to see what you can bring to our Morning show)

**To submit your video, use the following link to go to FlipGrid and make your 2-minute video.**
