Ensuring the safety and welfare of our students when they are in route to and from school has always been an important priority of the Hillsborough County Public Schools. To help us to provide for your child's safety, it is important for you to keep your child's teacher and the school office informed of any changes in your child's transportation information.

**District policy requires bus drivers to return any kindergarten student to school if a parent, designated adult or older sibling is not present at the afternoon bus stop.**

Sincerely,  
Denise Mobley
