

The Scholastic Summer Reading Program offers kids an exciting, free, and safe summer reading experience while helping to provide books to kids with limited or no access to them. Through August 19, kids can visit the summer zone on Scholastic Home Base. This free digital destination offers stories, characters, and games. Kids will be able to join a community of readers, read books, attend author events, interact with favorite characters, and more.

They can track their summer reading by reading daily and maintaining a Reading Streak in Home Base to earn fun digital experiences. By keeping Reading Streaks in Home Base, kids will help unlock a donation of 100,000 books from Scholastic to Save the Children. Home Base can be downloaded online or on Google Play and Apple.
