Dear Pride Families,

November and the Thanksgiving season remind us of the importance of expressing gratitude. I am thankful to be a part of the Pride Elementary School family and grateful to work with supportive teachers and parents who go above and beyond to ensure that we provide the very best experiences for our children. I am grateful for the warm greetings I receive from students each morning, the respectful interactions I witness throughout the day and the random acts of kindness that occur on a regular basis. I am thankful for our Veterans and their willingness to put others before self and make sacrifices that allow us to enjoy freedom and pursue our dreams. Be sure to take the time to talk with your children about the things for which your family is grateful. You'll be glad you did!

With sincere gratitude,  
Mrs. English  
Principal

## MINDSET OF THE MONTH

# WE ARE CONNECTED

Explore the synergies in all relationships and learn to empower one another.

- Embrace Everyone
- Maximize Positive Relationships
- Build Your Dream Team
- Lead with Value

7 MINDSETS

The **We Are Connected Mindset** teaches us that everyone who comes into our lives can help us to achieve and live our dreams. Working with, for, and through others is crucial to realizing our dreams. When you understand this and constantly seek the positives from relationships with others, your performance in every area of your life improves. In the lessons for this mindset, we help students explore synergies with others, embrace diversity, and relish the competition that will allow them to maximize their potential by working with and through others.
