September 15<sup>th</sup> - October 15<sup>th</sup>

This month, we give tribute to Hispanic Americans who have made major positive contributions to the United States, our local communities, and the world. Did you know that more than 80,000 students in our district and 10% of Pride Elementary students identify as Hispanic? We value the multicultural, multinational attributes of our Latinx/ Hispanic students, families and community and look forward to celebrating the richness and diversity in our school.

**EARLY DISMISSAL @ 12:55 on MONDAYS**

## SEVERE WEATHER DISMISSAL PROCEDURES

Severe weather procedures are implemented when there is severe weather or when weather radar indicates that severe weather is quickly approaching our area. Parents completed a form at the beginning of the year indicating how students who are walkers/bike riders will be dismissed in the event of severe weather (either as a car rider or wait until the severe weather has passed and then walk or ride their bike). Car riders and bus riders will be dismissed when conditions allow students and staff to safely move from the building to cars and busses. **Severe weather dismissal** will generally proceed much more slowly than regular dismissal. We appreciate your patience and know that you understand that our priority is always the safety of our students and staff.
