

Hello Pride Families,

All enrolled students will receive a postcard during the first week of August with instructions to check our school website to view important back to school information including **teacher assignments**. The label on the postcard will include your child's name and a number code that will be used to determine the assignment when you visit the website. IF your post card does not arrive by Thursday, August 4th, you may come to the school office to receive your child's teacher assignment (please bring ID and proof of current residence).

We look forward to seeing you soon!
