How can families help their children?

- *Get a good night's sleep before test days.
- *Eat a healthy breakfast.
- *Be at school on time every day. Testing will begin at 8:15AM every morning.
- *Be prepared (glasses/sweater/water).
- *Do not make appointments during the weeks of testing. Students may not be pulled out of a testing session for any reason. Once they begin, they must finish.
- *Express your support and confidence that your child will do well on their tests. 😊
