Riverview Idol
Winner Crowned

Angelina Winkler, the sensational singer, triumphed in Riverview Idol and was the winner of judge’s choice. She poured her heart and soul into every note, honing her vocal skills to perfection through lip trills and sirens. Singing has always been her passion, and she joined the competition to pursue it. Her favorite moments were working alongside her friends, especially during the duets. When she was announced as the winner, a surge of emotions overwhelmed her, validating her hard work and dedication. This was her third time competing, she said she enjoyed working with the people a lot more this year and she feels her singing has improved since the first competition. As for the future she said, “My dream is just beginning.”
