Sharks Softball takes Big District Win

On Monday, April 11th our Lady Sharks Softball team had a great win against the Durant Cougars. The leading defensive player, Jayla Stewart, stopped every ball that came her way, preventing the Cougars from scoring no more than one run. The Lady Sharks played a fine game holding off the Cougars from scoring a run until the sixth inning. "Pitching all seven innings was pretty exhausting, but the intensity of the game and support of my teammates kept me going" says pitcher Maddie Carney.

The leading offensive players, Aliyah Albritton and Alivia Garry both went 2-3 against Durant's pitchers. "Our last few games our team has not had much chemistry on the field, but last night we pulled it together for a district win and the whole team was ecstatic" says centerfielder Albritton. After the final out was caught, the Lady Sharks ran to each other on the field celebrating their win excited as ever. The Lady Sharks closed out the game with a final score of 4-1.
