Dear Parent/Guardian:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties which are out of the field in which the teacher is certified, the parents/guardians of all students in the class shall be notified in writing.

In Title I schools, when a child is taught for four or more consecutive weeks by a teacher who is non state certified or state certified, but teaching out-of-field, the LEA must provide written notification to each parent/guardian in a timely manner. Information regarding the qualifications of your child's teacher and/or classroom paraprofessionals may be obtained upon request.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an Individual Professional Development Plan to complete the requirements needed to become an in-field.

All our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at 813.2725677.

The table below lists teachers who are currently out-of-field.

Sincerely,

A handwritten signature in cursive script that reads "Christine Harris".

Estimados Padre/Guardian:

Todos los maestros en Florida son monitoreados para garantizar que cumplan con los requisitos de certificacion y capacitacion segun lo establece la ley. Segun el Estatuto de Florida 1012.42, cuando a un maestro se le asigna una posicion de ensenanza fuera de su area en la cual se ha certificado, los padres /guardianes de todos los estudiantes en esa clase seran notificados por escrito.

En las escuelas Tftulo I, se requiere que se notifique a los padres/guardianes, por escrito, si su hijo/hija ha sido ensenado durante cuatro semanas consecutivas o mas, por un maestro que no cumple con los requisitos de certificacion o licencia estatal, o esta ensenando en una materia diferente de la certificacion. Si ustedes desean, pueden solicitar las credenciales del maestro y/o el para profesional del salon de clase de sus hijos.

Las Escuelas Publicas del Condado de Hillsborough se comprometen a brindar instruccion de calidad a todos los estudiantes y lo hace empleando a las personas mas calificadas para ensenar y apoyar a cada estudiante en el salon de clases. El distrito esta ayudando a nuestros maestros mediante el desarrollo de un Plan de Desarrollo Profesional Individual para completar los requisitos necesarios para certificados en esa area.

Todos nuestros maestros estan certificados para ensenar, aunque algunos de ellos estan actualmente ensenando fuera de su area de certificacion y estan trabajando en areas adicionales de certificacion. Usted tiene el derecho a conocer las calificaciones profesionales de los maestros o para profesionales que instruyen a su hijo(a). La ley federal le permite solicitar cierta informacion sobre los maestros de su hijo(a) y requiere que le proporcionemos esta informacion de manera oportuna si la solicita. Si desea obtener mas informacion, por favor comunf que se con la escuela al (telefono #).

La siguiente table enumera los maestros que actualmente estan ensenando fuera de su area de certificacion.

Atentamente,

A handwritten signature in cursive script that reads "Christine Harris".
