Cambridge International School

Meet our Rodgers Team – Administration:

Principal

Gregory Basham

Gregory.Basham@hcps.net

Assistant Principal

Isidoros Passalaris

Isidoros.Passalaris@hcps.net

Assistant Principal

Meredith Scribner

Meredith.Scribner@hcps.net

We are a Cambridge International School

- What does that mean?
 - All students will be held accountable to our learner attributes of:
 - Confidence
 - Responsibility
 - Innovation
 - Engagement
 - Reflection

Cambridge Program

This program is guided by curriculum developed and perfected by the University of Cambridge in Cambridge England.

This program will intensify the rigor of students' daily learning.

It provides classes with additional elements of active learning, collaboration both with other students and between related classes.

Cambridge programs combine an emphasis on mastering subjects in depth with the development of skills for study and work in the future.

Cambridge International School

- What does that mean?
 - All 6th grade students will take Global Perspectives – which is unique to Cambridge Curriculum.
 - All students and teachers have access to Cambridge International Curriculum.

Rays
Expectations

Be Respectful of others and property

Be accountable for your choices.

Be Your Best - Show up ready to learn
and give your Best Effort.

Be Safe and follow directions.

What is NOT okay

- Disrupting the learning environment
- Being mean or disrespectful
- Touching other people or their property
- Running on campus outside of PE or a supervised sport
- Being outside of assigned areas.
- Horseplay - (playing tag, "pretend fighting", slapping each other, throwing water, etc.)
- Wearing hats or hoodies inside the building
- Not complying with the request of staff members
- Cussing on campus, or at other people, especially the staff

Two fairly simple rules to keep in mind -

If you wouldn't do it or say it with your parents or grandparents standing next to you, then you shouldn't do it or say it!

If you wouldn't want someone to do it or say it to your parents or grandparents, (or you) then you shouldn't do it or say it!

School is for learning

- Middle school is important because it builds the foundation of skills students need to pass the Graduation Requirements mandated by the State of Florida.
- These State mandated Graduation Requirements/Tests occur during the Freshman and Sophomore years in High School – so the foundational skills are learned in middle school.

School is NOT for

- Bringing drama from Social Media
- Finding a Boyfriend or Girlfriend
- Hanging out with your friends in the hallways.

Current School Schedule

9:30 am – 4:30 pm

HOST –
Morning Fee Based Care:
Drop off as early as 7:30 am

A colorful poster for the "3D STINGRAYS" program. The title "3D STINGRAYS" is at the top in a glowing, neon-style font. Below it, a photo shows a group of children and adults. Text on the poster includes "FREE After-School Mentorship Club" followed by a bulleted list of benefits: "Life Skills", "Social & Emotional Learning", "Improves Self-Esteem, Decision-Making, and Relationships", and "Homework Help". Another photo shows children working together. The text "Good vibes" is written in a cursive font. It states "We Meet Monday- Thursday after school until 6:00 pm". At the bottom, it says "Application can be found on the schools website. Please return completed application to Ms. Alisha @ alisha.galdames@ccscltampa.org Questions? Call (813) 588-6363". Logos for "MIH" and "cdc" are at the bottom left. On the right side, the text "You're Invited!" is written in a pink, cursive font, followed by "to learn how to be Dedicated, Determined & Driven towards anything you set your mind to!".

3-D Stingrays -
Free Afterschool Care
Monday - Thursday:
Pick up until 6:00 pm

3-D Stingray Summer Program

The background of the image is the interior of a school bus. It features rows of blue seats with a colorful pattern of red, green, and yellow dots. Yellow handrails are mounted on the ceiling and extend down to the seats. The bus is empty, and the lighting is bright, coming from the windows and overhead lights.

JOINING US!

**Cambridge Assessment
International Education**

Cambridge International School

The logo for the Cambridge Honors Institute is a dark gray circle with a white border, containing the text "Cambridge Honors Institute" in white serif font. It is positioned on the left side of the slide, overlapping a vertical gray bar.

Cambridge
Honors
Institute

This program is guided by curriculum developed and perfected by the University of Cambridge in Cambridge England.

This program will intensify the rigor of students' daily learning.

It provides classes with additional elements of active learning, collaboration both with other students and between related classes.

Cambridge programs combine an emphasis on mastering subjects in depth with the development of skills for study and work in the future.

Cambridge
Honors
Institute

It also encourages students to develop higher order thinking skills - problem solving, critical thinking, independent research, collaboration and presenting arguments.

The Institute will provide students with additional Magnet field experiences, speakers, leadership development, and academic challenges.

The Cambridge Lower Secondary courses within the Honors Institute will prepare students for the rigors of the Cambridge ACE program and all other HS higher level programs including AP, IB and Dual Enrollment.

RMMS Honors Institute Students can earn up to **6 high school credits** in Algebra or Algebra 1 Honors, Spanish 1, Spanish 2, Agricultural Foundations, and Science (possibly Geometry depending on placement in 6th grade based on testing).

Cambridge Honors Institute Expectations

- It is an expectation that students maintain a B or better in their core classes.
- It is also an expectation that students will follow the Learner Attributes at all times. In addition, Cambridge students will always set a good example and work cooperatively with others.

Math Placement Test for Cambridge Honors Institute

- Saturday, May 22, 2021
- 9 AM in the Multi-purpose Room at Rodgers Middle Magnet School
- Students will also need to sign up for a Math class this summer on Hillsborough Virtual School.
