**RETURNING USERS** – if you forgot your password, click “Forgot/Reset Password” and enter the identifying information on the next page. Then answer your security question to reset your password. After resetting your password, proceed to Step 3 below.

**Step 2 (FIRST TIME USERS):** Choose 3 security questions. Then click submit at the bottom of the page. Afterward you will be able to set your password.

Please choose your three security questions. If you forget your password, we will ask you these questions to allow you to reset it.

Choose answers that you will remember and cannot be easily guessed or researched.

| Question 1       |  |
|------------------|--|
| Select Question: | -- Please select a question <input type="text"/> |
| Answer:          | <input type="text"/>                             |
| Confirm Answer:  | <input type="text"/>                             |

For **best practices**, after resetting your password, first log into [Clever](#) (see [sdhc.k12.fl.us](https://sdhc.k12.fl.us)). Click in the Active Directory box at the bottom.

Enter your student number and password.

You will then see the icon for Canvas.
