A detailed testing chart was sent this week via ParentLink with specific dates for all state testing. Please see below for some important information regarding testing:

### **All Students**

- Testing dates listed on the chart are for all students in that specific grade. Brick and Mortar and eLearning will test on the same day, unless otherwise noted on the chart.
- All testing will begin first thing in the morning between 8:45am-9:00am.

### **eLearning Students**

- eLearning students must report to campus to take any state assessment.
- eLearning students will be dropped off in carline at normal time (by 8:30am) and will report directly to MPR to meet their teacher.
- eLearning students do not need to bring any supplies to school. All testing materials will be provided by teacher.
- Testing end times differ by subject and grade. A ParentLink will be sent each morning once the end time for the session is determined. Please note that all sessions will have a minimum time of 2 hours.
- Pickup of eLearning students will be at Gate 2. Parents please remain in vehicle when dropping and picking up students.
