I've been at Roland Park for 5 years and I was cast as Young Elsa in Frozen at RP. I am also in Odyssey of the Mind and I created a play for it where I was a mermaid. In 3rd grade I was the state of Virginia in Reader's Theater about the USA. I would love to thank my mom for introducing me to theater. If she hadn't, I wouldn't be here today.

I have been at Roland Park for 9 years now and my last year had to go out with a bang. Thank you, Mrs. Steinfeld and Mr. Steinfeld, for letting me be a part of this amazing show. Also, thank you to my friends and family for sticking with me through this crazy year. And Mamami I wish you could be here with me, but I know you are sitting on my shoulder like you always said. I loved being a part of this amazing show and I loved everyone I worked with. Thank you to everyone.

My name is Ariana Rodriguez. I am 13 years old and an 8th grader at Roland Park. In 6th grade I was backstage in Mary Poppins and I was also backstage in Frozen last year. This is my 3rd year at Roland Park, and I am going to be going to Hillsborough High School next year. I would like to thank Mrs. Steinfeld for giving me the opportunity to help make this show happen.

## *Olivia Salazar*

My time at RP has been fun. From Mary Poppins to Frozen, to now this, our shows have been a large part of my middle school experience. To this day, I'm still proud that I managed to get Elsa (even though that show was never performed). I've been here since 1st grade and Sickles will be a very different experience. Regardless, no school can compare. Thank you to my family and all my friends for being there for me.

## *Elijah Stukeley*

I have been in Mary Poppins, Frozen and now this show. I have been at Roland Park for 6 years and I am going into 6th grade. I would like to thank my parents and the people who gave me this opportunity to be in the RP shows.

Ashlin has been at Roland Park since she was in kindergarten and is now a 6th grader.
