Dear Parents,

Can you believe we are in the final month of the school year? This will be my final newsletter. Our last day of school is Friday, May 27th. It seems like yesterday that the kindergartners were ringing in the new school year in the courtyard. It will not be long before the fifth graders will ring the bell for the final time, and I will join them for my final ringing of the bell.

As we prepare to end the 2021-2022 school year, plans are already being put in place for next year. The uniform vote is complete, and we will continue our tradition of being a uniform school! (77% wanted to continue our uniform policy) If you currently have gently used uniforms that your child has outgrown, we will gladly add them to the clothes closet.

I look forward to welcoming our new Principal who should be appointed on May 10th at the school board meeting. The new principal will welcome all our returning students on August 10th. Please make sure our office has your current address for our 2022-2023 Back-to-School post card. Our post card has been very successful. Instead of sending you a big packet of papers, we will send you one postcard. It will give you directions to go to the school website to find your child's teacher and supply lists. If you do not have a way to access our website, we will have the information at the front office. If the card is returned, your child will be withdrawn from our school, and you will need to register at your current neighborhood school.

I hope that all our families enjoy their summer vacation together. Please encourage your child to read during the summer months and practice those math facts (addition or multiplication). You will be able to access MyON during summer vacation.

Thank you for your continued support and involvement at Hugo Schmidt Elementary. It has been my pleasure to be the Principal of Schmidt for the past 10 years!

Jan Kelly, Principal

Letters were sent out after Spring Break to update your residency forms, this must be done so your child can be placed in a classroom for the next school year.

Also, if your phone number has changes since the beginning of the school year, please update it.

Hello Schmidt Sailors,

Here we are in May, the end of the school year. This year has flown by. But just because the year is coming to an end does not mean that learning has to stop. The last week of school, I will be sending home summer reading information. Your child(ren) will have the opportunity to complete a reading challenge for a prize at the beginning of next school year.

Summer Reading Tips:

- Take a book to the pool/beach
- Take turns reading a page or two with your child before bed
- Try to read different genres and track your reading (fantasy, humorous, mystery, nonfiction, etc.)
- Make up a play about a book read and act it out
- Get a head start on SLAM books (book list will be in summer reading packet)
- Participate in public library activities. They always have a lot of fun activities during the summer.

Happy Reading!
