

Good Afternoon Parents of Elearning Students

Please complete the attached Spring FSA/EOC Testing RSVP Survey Link- by April 2, 2021

The survey will take approximately 4 minutes to complete.

All students enrolled in tested grade levels/subjects participate in the Spring/Summer 2021 administrations with or without accommodations, per s. 1008.22(3)(a), Florida Statutes (F.S.). Students should take the test(s) appropriate for the grade level/subject in which they are receiving instruction. Students may test above grade level but may not test below grade level. For ELA, students must take the same grade-level test for ELA Writing and ELA Reading to receive an ELA score.

If you have more than one child in a tested grade level, you must complete a RSVP for each child. If you have any questions, please contact Mrs. Williams at (813) 672-5338, ext. 227 or at [Theresah.Williams@sdhc.k12.fl.us](mailto:Theresah.Williams@sdhc.k12.fl.us).

Please note:

Algebra EOC is a math graduation benchmark test and 30% of the student's grade. Geometry, Civics, Biology, and US History enrolled students EOC scores are 30% of the student's grade.
