Beth Shields Middle School

September 11, 2020

Dear Shields Middle School Parents/Guardians,

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statue 1012.42, when a teacher is assigned teaching duties out of field in which the teacher is certified, the parent of all students in the class shall be notified in writing.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an *Individual Professional Development Plan* to complete the requirements needed to become in-field and/ or highly qualified.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teacher or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child's teacher and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at (813) 672-5338.

The table below list teachers who are currently out-of-field.

Sincerely,

Colleen S. Carr~MSW, Ed.S

Estimados padres / tutores de Shields Middle School:

Todos los educadores en Florida son monitoreados para asegurar que cumplan con los requisitos de certificación y capacitación exigidos por la ley. Según el Estatuto de Florida 1012.42, cuando a un maestro se le asignan tareas de enseñanza fuera del campo en el que el maestro está certificado, los padres de todos los estudiantes de la clase serán notificados por escrito.

Las Escuelas Públicas del Condado de Hillsborough se comprometen a brindar instrucción de calidad para todos los estudiantes y lo hace empleando a las personas más calificadas para enseñar y apoyar a cada estudiante en el aula. El distrito está ayudando a nuestros maestros desarrollando un Plan de Desarrollo Profesional Individual para completar los requisitos necesarios para convertirse en el campo y / o altamente calificado.

Todos nuestros maestros están certificados para enseñar, aunque algunos de ellos se encuentran actualmente fuera del campo y están trabajando en áreas adicionales de certificación. Tiene derecho a conocer las calificaciones profesionales del maestro o paraprofesionales que instruyen a su hijo. La ley federal le permite solicitar cierta información sobre el maestro de su hijo y nos exige que le proporcionemos esta información de manera oportuna si la solicita. Si desea obtener más información, comuníquese con la escuela al (813) 672-5338.

La siguiente tabla enumera los maestros que actualmente están fuera del campo
